## RESOURCE CD INFORMATION GUIDE

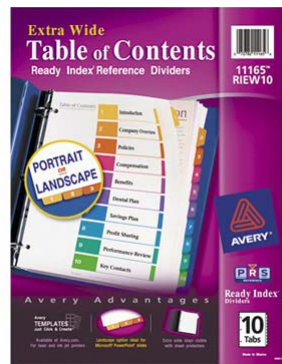

Below you will find the Resource CD Outline, which lists all files on the enclosed CD. All files can also be accessed and downloaded at the Church and Home button on [www.armenianchurch.net](http://www.armenianchurch.net). Additionally, many resources feature an online interactive version, so no downloading is needed.

### Home Resource Guide

This guide is divided into ten sections. They are designed to be printed out and placed in a binder, to be kept in the home or in the parish. Sections 1 (History), 4 (Language), and 10 (Prayers) would work best when printed in Color. The rest are Black and White, and could be printed on colored paper.

We have included a tabbed Table of Contents page which can be printed out on the Avery tab dividers shown below.
